**2014 YEAR 11 STUDENTS**

Students in Year 11 in 2014 can still exercise the option to retain the Netbook by paying one payment of $275 for 2014 and the equivalent of two payments in 2015.

**INSURANCE**

All Netbooks have a manufacturer’s warranty and insurance for accidental damage and theft has also been included. In respect of any issue relating to the performance, damage or theft students and families need to make us aware straight away so we can reduce the down time of the Netbook.

In situations where theft is involved we will need to involve the police as a part of the insurance compliance.

A $100 excess is payable for any insurance claim that is not a manufacturer’s issue.

**AGREEMENT**

I have read the above information about leasing arrangements for the use of Netbooks @ Cheltenham Secondary College. I understand and agree with terms outlined and conditions and commit to make all payments in accordance the Payment Option I have selected.
